

**AMENDMENT TO FIRST AMENDED PROGRAMMATIC AGREEMENT  
AMONG THE CALIFORNIA ENERGY COMMISSION,  
THE DEPARTMENT OF COMMUNITY SERVICES AND DEVELOPMENT,  
THE UNITED STATES DEPARTMENT OF ENERGY, AND  
THE CALIFORNIA STATE HISTORIC PRESERVATION OFFICER  
REGARDING SECTION 106 COMPLIANCE FOR DEPARTMENT OF ENERGY  
AMERICAN RECOVERY AND REINVESTMENT ACT PROGRAMS**

**WHEREAS**, in February 2010, as the result of unprecedented funding levels resulting from the implementation of the American Recovery and Reinvestment Act (Recovery Act), the California Energy Commission (CEC), and the California State Historic Preservation Officer (SHPO) executed a programmatic agreement to facilitate and expedite Recovery Act undertaking reviews pursuant to the National Historic Preservation Act Section 106;

**WHEREAS**, on May 24, 2010, the United States Department of Energy (DOE), CEC, the Department of Community Services and Development (CSD), and the SHPO executed the First Amended PA (PA) to fulfill the requirements of Section 106 of the National Historic Preservation Act for certain DOE-funded undertakings in California, including DOE's Weatherization Assistance Program (WAP), State Energy Program (SEP), and Energy Efficiency Conservation Block Grant (EECBG) program;

**WHEREAS**, the PA set forth a tailored method for the SHPO, DOE, CSD, CEC, and recipients of DOE WAP, SEP and EECBG program funding to comply with Section 106 of the National Historic Preservation Act;

**WHEREAS**, the PA stipulated it would be valid for five years from the date of execution; however, the Advisory Council on Historic Preservation's (ACHP) Program Comment dated March 11, 2013 extended all Recovery Act PA's through December 31, 2020. (78 FR 16275, 16277);

**WHEREAS**, the ACHP, National Conference of State Historic Preservation Officers, and DOE recognize the PA continues to provide great value to DOE, recipients, and SHPOs, notwithstanding expiration of most Recovery Act funding, and this Amendment extends the PA until December 31, 2025 to ensure it remains effective and to facilitate consultation between the signatories on proposed revisions to the PA;

**WHEREAS**, DOE will provide a copy of this executed PA Amendment to the ACHP and all signatories; and

**NOW, THEREFORE**, in accordance with Stipulation XI of the PA, the signatories of this Amendment to the PA agree as follows:

1. Amend Stipulation XV to add paragraph D as follows:

D. This Agreement will be valid until December 31, 2025, as verified with DOE filing the PA with the ACHP.

This Amendment to the PA may be executed in counterparts, each of which when so executed shall be deemed an original, but all of which shall together constitute one and the same instrument, it being understood that all parties need not sign the same counterpart. This Amendment to the PA is not effective until each party executes the Amendment to the PA.
